IntelliCorp is pleased to offer Berkley Southeast Insurance Group clients tools to help make responsible and informed hiring decisions. Our comprehensive background check services let you screen applicants to help minimize risk and determine the quality of your new hires.

An easy-to-use interface provides you with quality and validated criminal results at discounted prices. Experience the difference of our support capabilities, which includes personalized customer service, training, and compliance. You also get the advantage of streamlined processes and paramount privacy and security when it comes to protecting sensitive information. IntelliCorp is a Verisk Analytics company, and has earned formal accreditation through the National Association of Professional Background Screeners (NAPBS).

Berkley Southeast Discounted Background Check Package

We've created the following cost-effective screening package to simplify your background check process. The package uses a combination of multiple sources of criminal record information. In addition, we validate database records by returning to the source to ensure that we have the latest updates regarding your applicant's history. This provides you with a comprehensive screen that helps answer your questions about a candidate's integrity, so you can select the right individuals for your team.

Package Price: \$16.00

Includes:

- Validated Criminal Database
 - Validated Nationwide Sex Offender
 - Validated Department of Corrections
- Unlimited Single County Searches (7 year address history)*
- SSN Verification w/Address History
- Government Sanctions (Terrorist Search)

Notes:

*Some courts charge a mandatory fee. These are treated as pass-through fees to our clients and are clearly highlighted before processing the search.

Package Add-Ons

In addition to the discounted background check package, you can add other products to your bundle or order individual searches from our sample product list below. This option is designed to meet your specific hiring requirements by allowing you to layer services for different positions as well as various levels of job responsibilities.
